The ReNew Sandy Springs community has been designed to resemble luxury resorts in many ways, and as you take a look through our community, you'll quickly see how much there is to offer. There are more than a dozen floor plan options with either one-, two-, or three-bedroom layouts; each apartment is equipped with only the highest-quality appliances, finishes, and designs. Your home will feature high ceilings, modern kitchens with bright white or chestnut cabinets, and hardwood-style flooring. Our location only adds to the experience. Our beautifully landscaped neighborhood is within walking distance of the banks of the Chattahoochee river and the Roswell Riverwalk Trail. We are a short drive to various higher learning institutions, and numerous top employers. We can't wait to welcome you home at ReNew Sandy Springs.
